I am an MBA graduate who is passionate about becoming a software tester to kick start my career in IT. I have completed the ISTQB Software Testing Foundation level Certification. Having 02 years of UAT testing experience, Good exposure to SDLC & STLC. I am always interested in adopting and adhering to the best practices in the team and maintaining a well-organized process flow. My earlier job made me confident, assisted me to solve problems, helped manage my time effectively and taught me how to work well in a team environment.
