

Assignment

When we show up to the present moment with all of our senses, we invite the world to fill us with joy. The pains of the past are behind us. The future has yet to unfold. But the now is full of beauty simply waiting for our attention.

1. Where did business analysis originate, and how did it develop throughout the years
2. Based on your understanding, what are the role and responsibilities of a Business Analyst?
3. The World Economic Forum and the University of Phoenix Research Institute researched on essential skills the workforce must have. Evaluate yourself based on the categories of their combined results. Determine which skills you already have and what skills you have to improve to become a successful business analyst
